

## CoreSite Executives Appointed to Key Data Center Coalition Roles

July 26, 2022

*Leading Interconnection Platform Partners with Trade Association to Advance and Advocate for the Data Center Community*

DENVER--(BUSINESS WIRE)--Jul. 26, 2022-- CoreSite, a leading hybrid IT solutions provider and subsidiary of American Tower Corporation (NYSE: AMT) ("American Tower"), today announced several of the company's executives have been appointed to roles within the [Data Center Coalition \(DCC\)](#).

The DCC represents and advances the interests of the data center community and advocates for a strong business climate, policies and investments that support the growth and success of this business sector. CoreSite, strategically positioned in 10 key markets across the United States, has been a long-time advocate for the data center industry and in the communities in which it serves.

"We are proud to welcome Matt Gleason, CoreSite's VP General Management, to our board and additional CoreSite executives to our working committees to collaborate with their peers to advocate and advance the data center industry," said Josh Levi, President of the DCC. "Our mission is to aggregate industry expertise and thought leadership to educate state and local government officials, economic developers, policymakers, community leaders and other stakeholders about data centers and highlight the economic and community-building impacts of the sector."

"CoreSite is honored to partner with the Data Center Coalition," said Matt Gleason, VP General Management and DCC Board Member. "I am looking forward to collaborating with my fellow DCC board members to advocate for a business climate, policies and investments that support the growth and success of our industry."
