

CoreSite Recognized as a Finalist in the Gartner® 2023 Eye on Innovation Awards for Communication Service Providers for The Americas

-- CoreSite Chosen as a Finalist for their Innovation: Open Cloud Exchange® --

Denver, CO – January 16, 2024 – CoreSite, a leading hybrid IT solutions provider and subsidiary of American Tower Corporation (NYSE: AMT) (“American Tower”), today announced that it was selected as a finalist in the [2023 Eye on Innovation Awards for Communication Service Providers for the Americas region](#). The Open Cloud Exchange® (OCX) was among the finalists for the award which “recognizes communications service providers (CSPs) for their innovative use of technology to drive best-in-class initiatives. All submissions are assessed by Gartner, and finalists are selected via benchmarking against world-class performance standards. Winners are selected at our annual awards ceremonies in three regions: APAC, EMEA and the Americas.”¹

Profiles of the judges and additional information, including videos from all the finalists and all the regions, are available on the Gartner website: <https://www.gartner.com/en/about/awards/communications-eye-on-innovation>.

Forward-Looking Statements

This press release contains statements about future events and expectations, or “forward-looking statements,” all of which are inherently uncertain. We have based those forward-looking statements on management’s current expectations and assumptions and not on historical facts. These forward-looking statements involve a number of risks and uncertainties. For important factors that may cause actual results to differ materially from those indicated in our forward-looking statements, we refer you to the information contained in Item 1A of American Tower’s Form 10-K for the year ended December 31, 2022, as updated in its Form 10-Q for the six months ended June 30, 2023, each under the caption “Risk Factors” and in other filings American Tower makes with the Securities and Exchange Commission.

Neither we nor American Tower undertake any obligation to update the information contained in this press release to reflect subsequently occurring events or circumstances.
